

Never Use Alone Hotline

Meeting people where they are, on the other end of the line, one human connection at a time

(800) 484-3731

Backup Line: (931) 304-9452

If you are going to use by yourself, call us!

- We provide a life-saving point of contact for people who use drugs. We're there to help you in the event of an overdose.
- **When you call:**
 - You will be asked for your first name, location, and the number you are calling from.
 - **An operator will stay on the line with you while you use.** If you stop responding after using, the operator will notify emergency services of an "unresponsive person" at your location.
 - We have **resources available** for when you are ready to seek help.
